Indian Agriculture Scenario

The Indian Agriculture Industry is at the verge of a revolution that will modernize the entire food chain in India and as the total food production in India is likely to double in the next ten years. Today there are excellent business prospects, competitive pricing of agricultural product standards that are compared internationally which has created trade opportunities in the agro industry.

The agricultural sector in India is the largest sector in the country's economy. It contributes almost 18.5% to India's GDP, Indian Agricultural Industry also assumes significance owing to India's sizable agrarian economy, which contributes over 35% of GDP and employs around 65 % of the population. The consumer food segment goods have top priority both in terms of foreign investment and number of joint- ventures / foreign collaborations. Indian Agricultural Industry that have the capacity to lure world agriculture market with promising benefits are the deep sea fishing, aqua culture, milk and milk products, meat and poultry segments.

The statistics convey that the Indian Agricultural Industry today is the world's second largest producer of food. From canned, dairy, processed, frozen food to fisheries, meat, poultry, food grains, alcoholic beverages & soft drinks, the Indian agro industry has dainty areas to choose for business.

WE BRING YOU THE FUTURE OF HAUTE HANDCRAFTED SOAPS

Our Company entered the SoapMaking Market 20 years ago and the central principle of our soap production is to take soapmaking to the next level with amazing scents, unique ingredients and elegant designs.

We make our soaps only with the highest quality ingredients, luxurious scented oils, organic herbs and natural colorings. And we handcraft each soap as a small present, thanks to the exciting and stylish designs, making it a pleasure to use, gift or just to look at.

HIGH QUALITY INGREDIENTS

We use high quality ingredients including luxurious scented oils, organic herbs and natural colors.

Avocado Oil
rich in vitamin E, actively moisturizes and protects the skin from harmful environmental elements.

Cocoa Butter
maintains the optimum moisture balance of the skin and helps improve its overall tone and elasticity.

Shea Butter
has a strong regenerative and restorative properties, it perfectly moisturizes the skin.

Olive Oil
softens skin and attracts external moisture to your skin. It helps keep your skin soft, supple and younger looking.

Jojoba Oil
highly moisturizing, the oil is known to assist in removing excess oil, leaving the skin looking great, with reduced shine.

Rosehip Oil
protects the skin and helps with natural skin regeneration because it contains antioxidants vitamins E, C, D and B-carotene.

Argan Oil
high-linoleic acid content helps reduce skin blemishes and promote high nourishment.

Almond Oil
is rich in vitamin E, which enhances skin hydration for softer and smoother skin with a beautiful aura.

Coconut Oil
is a great moisturizer. The oil is also known to help clean the complexion and soothe the skin, giving it glowing and even-toned look.

NATURAL BEAUTY

We add to our soaps only real natural herbal extracts to provide the best care for your skin

lavender extract has soothing, sedative properties and also has the ability to cleanse and remove toxins.

Green Tea contains a high amount of antioxidants as well as enzymes, amino acid, B vitamins and caffeine known to improve skin complexion, flush out toxins from the skin, eliminate blemishes and improve the skin's elasticity.

Eucalyptus Oil perfectly restores damaged skin, helps cleanse it from impurities and successfully fights against skin blemishes.

Grepe Seed Oil powerful antioxidant that has rejuvenating and anti-aging properties.

Strawberry authentic, juicy, sweet, the strawberry is rich in antioxidants, which work to rejuvenate the skin and bring a unique natural shine to the complexion.

Vanilla rich in antioxidants and is a good source of vitamins, which play an important role in the maintenance of healthy-looking skin.

Chamomile hydrates and nourishes the skin. Soothes and smooths for a lovely relaxed sensation.

Rose Oil (rose flower), which provides beauty moisture for the skin. Contains high amounts of vitamins C, a powerful antioxidant helps lock moisture into the skin, keeping skin feeling smooth.

Orange stimulates and rejuvenates. Everyday usage of orange extract visibly brightens your skin and fights pigmentation.

LEMNIGRESS helps moisturize the skin, removes impurities and energizes.

Chocolate cocoa beans from the cacao tree, deliver a bounty of antioxidants and phytonutrients to smooth and hydrate your skin.
